## *Good fit for Atlas Terminal*

ATCO Properties & Management announced that CrossFit NYC, a fitness training facility, has leased 4,036 s/fof space in Building 33 at Atlas Terminals in Glendale, Queens.

Damon Hemmerdinger, senior vice president at ATCO, said, "Our facility is designed to accommodate a variety of retail uses, and is a perfect fit to host upcoming CrossFit NYC training classes."

What started as an informal Central Park workout club, CrossFit NYC is now New York's largest CrossFit affiliate, offering high-intensity boot camp classes, seminars and training services.

Joe Ibrahim from Right Time Realty represented the tenant in the five year transaction, while Neil Adamson, vice president of ATCO represented the landlord.

Located on Cooper Avenue at 80th Street, Atlas Terminals tenants include CF Peters, the international music publisher and the ASPCA.
